## CREATING A NATURE WALL HANGING

*You will need:*

*A long stick, string, scissors, glue (optional) and the nature items you collect. You might collect seed pods, bark, leaves, feathers. Anything interesting is fine but remember that we only take from the ground and not from a living plant.*

*How to make:*

- 1. Collect nature items responsibly and safely*
- 2. Cut string into different lengths*
- 3. Attach items to string*
- 4. Attach string to stick*
- 5. Hang*
