Connecting every learner to the natural world and inspiring change for a sustainable future.

## Aboriginal Culture – Full day K-2 incursion

Early Stage 1 and Stage 1 students will participate in fun and engaging cultural activities that embed Dharug language. They will listen to stories, create a dance, use body paint to transform into fairy wrens, examine Dharug treasures and their uses and learn about traditional hunting methods through game play.

### Activities

**Seasons** – Listen to the story *Cooee Mittigar* and learn about the animals and seasons on Dharug Country. Create an animal seasons dance and perform together in a circle.

**Weapons and Tools** – Learn about Aboriginal Culture by exploring some special treasures, their stories and uses.

**Emu Egg Hunt** – Learn about daddy emus and how to hunt emu eggs the traditional way! Students take turns being daddy emus, stick hunters and emu caller players in a fun egg hunt game.

**Blue Wren Ochre** – Listen to a dreaming story of the Blue Wren. Make and paint grey and blue ochre on your skin like the little Blue Wren.

### Cross Curriculum Priority *Science Elaborations*

- Learning how Aboriginal and Torres Strait islander peoples' concepts of time and weather patterns explain how things happen in the world around them
- Exploring how Aboriginal and Torres Strait islander peoples' observations of external features of living things are mimicked and replicated in traditional dance

### *Aboriginal and Torres Strait Islander Histories and Cultures*

- Recognising how Aboriginal and Torres Strait islander peoples use changes in the landscape and the sky to answer questions about when to gather certain resources
- Considering that technologies used by Aboriginal and Torres Strait islander peoples require an understanding of how materials can be sustainably sourced to make tools and weapons, musical instruments, clothing, cosmetics and artworks.
