## Geographical Inquiry Process and Fieldwork

**This face to face course at Brewongle Environmental Education Centre will support Primary Teachers in programming and implementing the new Geography Syllabus from K-6. It will guide teachers through the Geographical Inquiry Process Skills and demonstrate a range of stage-appropriate Geographical Fieldwork Tools to support students' learning at school.**

Completing Geographical Inquiry and Fieldwork will contribute 4 hours of NESA Registered PD addressing 2.1.2, 2.2.2 and 6.2.2 from the Australian Professional Standards for Teachers towards maintaining Proficient Teacher Accreditation in NSW.

### Course Content:

- **Unpacking the syllabus** – Be guided through the three stages of the Geographical Inquiry Process, where students Acquire, Process and Communicate Geographical Information
- **Fieldwork & Resources** – A showcase of stage appropriate fieldwork tools, including hands on activities, iPad Apps, websites and other resources which will support the teaching of Geography in the school setting.
- **Geographical Inquiry Programs at Brewongle** – A hands on session to allow teachers to engage in specialist fieldwork techniques using a range of Geographical Tools provided by Brewongle EEC. Through this session, teachers will gain understanding in teaching Geographical Concepts such as Place, Space, Environment, Interconnection and Sustainability.

*Contact the centre for bespoke professional development and programming support.*
